## How to View your Grades & Results within each Unit

This area shows what is being marked, which will include all questions for the Current Industry Experience Assessment

You will be able to see feedback from your Trainers in the area below

Grade item	Calculated weight	Grade	Feedback
<b>BSBPMG514.1 Manage Project Cost</b>			
 BSBPMG514.1 Submit Assessment	0.00 %	Satisfactory	Well done
 Task 2204	100.00 %	Satisfactory	
 Task 2203	0.00 %	Satisfactory	
 Task 2202	0.00 %	Satisfactory	
 Task 2201	0.00 %	Satisfactory	
 <b>Course total</b> Highest grade.	-	<b>100.00</b>	

This area is very important as it lets you know if your submission is satisfactory or whether more evidence is required. To be competent for the unit, all the Tasks (i.e. T81-T88) need to be marked as 'Satisfactory'. If extra evidence is required then it will read 'More Evidence Required'.
