IMPORTANT INFORMATION

The VET Student Loans program assists eligible students enrolled in approved higher level vocational education and training (VET) courses to pay their tuition fees.

Eight important points you must read!

- 1 Your VET Student Loan debt (**VETSL debt**) must be paid back at the relevant repayment rate when your repayment income is above the **compulsory repayment threshold**. The **compulsory repayment threshold** is adjusted annually and is \$45,881 for the 2019-20 financial year. For the 2020-21 financial year, the threshold will be \$46,620.

Note: Any VET Student Loan debt incurred *prior* to 1 July 2019 was referred to as your Higher Education Loan Program (**HELP**) debt and continues to be part of that existing **accumulated HELP debt** account.
- 2 At least twice each calendar year for the duration of your course, you are required to submit a Progression Form to confirm your continued engagement in your course of study. Your **approved course provider** (provider) will arrange for Progression Forms to be sent to you using the Department of Education's **electronic Commonwealth Assistance Form (eCAF)** system. Your ongoing access to a VET Student Loan is dependent upon you demonstrating that you are still engaged in and progressing through your course.
- 3 You will incur your liability to pay tuition fees for each part of your course on the **census day** for that part of your course.
- 4 If you do not wish to incur a liability for that part of the course you must withdraw your enrolment in that part of the course, before the **census day**. You must withdraw in writing and in line with your **approved course provider's** withdrawal procedure.
- 5 **Full fee paying/fee for service students** will incur a 20 per cent loan fee on their VET Student Loan. Students enrolled in a diploma and advanced diploma level course whose enrolment is subsidised by a state or territory government do not incur a loan fee.
- 6 You must meet the eligibility criteria to access a VET Student Loan. You will need to supply information to your provider to prove you meet the eligibility criteria.
- 7 The amount of a VET Student Loan for a course is capped. The loan may not be sufficient to cover all the **tuition fees** for a course. Your provider must send you a written notice of the amount of your course **tuition fees** covered by the loan and any gap fees required to be paid by you. The information must be sent to you by the first **census day** for your course. You are responsible for paying the gap fee as you progress through your course.
- 8 Information about **tuition fees** covered by the **VET Student Loans** program, any other fees payable for the course, and information on how to withdraw before the **census day** without incurring fees, will be supplied to you by your provider prior to your enrolment.

YOU MUST READ THIS BOOKLET BEFORE SUBMITTING THE 'REQUEST FOR VET STUDENT LOAN eCAF'.

When you sign and submit your 'request for VET Student Loan eCAF', you declare that you have read this booklet and you are aware of your obligations under the VET Student Loans program.

Note: The Department of Employment, Skills, Small and Family Business (the Department) has aimed to ensure the information in this publication is consistent with the [VET Student Loans Act 2016](#) (the **Act**) and the [VET Student Loans Rules 2016](#) (the **Rules**). If there are any inconsistencies between this publication and the Act or Rules, the Act and Rules take precedence.

In addition, the information contained in this booklet is correct as at the time of publication (January 2020) and subject to change. For the latest information on the **VET Student Loans** program, refer to the the [Department's](#) website.

WHO IS THIS BOOKLET FOR?

This booklet is for people who wish to apply for a VET Student Loan (VSL) to pay for an approved diploma level or above VET qualification.

This booklet is a summary of the key points a person must know before they apply for a VET Student Loan. It is not intended to provide comprehensive information about the **VET Student Loans** program as a whole.

USING THIS BOOKLET

The first section, 'The **VET Student Loans** Program at a Glance' provides an overview of the **VET Student Loans** program, including eligibility criteria.

Further detail is provided about the program in sections 1 to 6 of this booklet.

As you read through this booklet, you will notice each page has key words **highlighted**; refer to the glossary for an explanation of what these words mean.

Refer to the section at the end of this booklet, 'Contacts and Additional Information' for further information and relevant contact details.

THE VET STUDENT LOANS PROGRAM AT A GLANCE

What is the VET Student Loans program?

The **VET Student Loans program** is an Australian Government loan program that helps eligible students enrolled in **approved courses** at diploma level or above, at **approved course providers** pay their **tuition fees**. The loan has income-contingent repayment arrangements, which means you only need to make repayments if you are earning above the minimum repayment threshold. You can make voluntary repayments at any time.

If you are an eligible student, the Department of Employment, Skills, Small and Family Business (the Department) may approve your VET Student Loan for an **approved course**. The Department will pay your loan directly to your **approved course provider**. You will be responsible for any gap amount in the **tuition fees**, which are not covered by the loan. You will owe a debt to the Australian Government for the loan, which will be managed by the Australian Taxation Office (**ATO**).

Am I eligible?

To receive a VET Student Loan, you must:

1. be an eligible student
2. be studying an **approved course**
3. be studying with an **approved course provider**
4. apply to the government using the approved form, which will be managed through your provider, and
5. submit Progression Forms to confirm your ongoing engagement with your studies, and continue accessing the loan throughout your course.

To be an eligible student, you must meet ALL of these criteria – further detailed below.

- You are:
 - an Australian citizen, or
 - a qualifying New Zealand citizen¹, or
 - a permanent humanitarian visa holder, who is usually resident in Australia.
- Your HELP balance (the amount of your **HELP loan limit** you have left) is more than \$0. This means you have enough **HELP loan limit** remaining for your proposed studies to be covered by the loan. The HELP loan limit is the limit on how much you can borrow. Any borrowing under FEE-HELP, VET FEE-HELP, VET Student Loans and, from 1 January 2020, HECS-HELP will count towards your HELP loan limit.
- You are enrolled with an **approved course provider** in an **approved course** and have enrolled in accordance with the application requirements.
- You are studying the **approved course** primarily at a campus in Australia.

¹ A qualifying New Zealand citizen is a New Zealand citizen who meets all of the following:

- holds a special visa category, such as the **New Zealand Special Category Visa (SCV)**;
- has been usually resident in Australia for at least 10 years;
- was a dependent child when he or she was first usually resident in Australia;
- has been in Australia for periods totalling 8 years during the previous 10 years; and
- has been in Australia for periods totalling 18 months during the previous 2 years.

- You have been assessed by your **approved course provider** as academically suited to undertake the **approved course** on the basis of either:
 - providing your Australian Year 12 Certificate; OR
 - providing your International Baccalaureate Diploma Programme (IB) diploma OR
 - providing a copy of a certificate showing you have been awarded a qualification at level 4 or above in the **Australian Qualifications Framework** (where the language of instruction was English)²; or at a level in a framework that preceded the AQF and is equivalent to level 4 or above in the AQF, OR
 - displaying competence at Exit Level 3 in the Australian Core Skills Framework in both reading and numeracy through an approved Language, Literacy and Numeracy test.
 In addition, your **approved course provider** must reasonably believe you show competence in completing the course.
- You meet the Tax File Number (TFN) requirements.
- You have a **Unique Student Identifier (USI)** or are otherwise exempt.
- You have given the required documents to your **approved course provider** and submitted the loan application form by the first **census day** no less than two business days after enrolling.

To be an **approved course**, your course must:

- be specified by the VET Student Loans (Courses and Loan Caps) Determination 2016 (the **courses and loan caps determination**): **and**
 - for state-government **subsidised** students, lead to a qualification of diploma or advanced diploma in the **Australian Qualifications Framework**; or
 - for **full fee-paying / fee for service** students, lead to a qualification of diploma, advanced diploma, graduate certificate or graduate diploma in the **Australian Qualifications Framework**; **and**
- be provided by an **approved course provider**; **and**
- be delivered by an **approved course provider** or an entity registered with TEQSA or a body approved by the Department to deliver the course.

² If your qualification is from overseas, then the certificate provided must be a letter or certificate issued by a Federal, State, or Territory government agency which assesses overseas qualifications and which shows your qualification has been determined to be equivalent or comparable to a qualification in the Australian Qualifications Framework at level 4 or above.

GLOSSARY³

Accumulated HELP debt: The total of the Higher Education Loan Program (HELP) debts, including any VET Student Loans incurred *prior* to 1 July 2019, VET FEE-HELP, FEE-HELP, HECS-HELP, OS-HELP or SA-HELP debts you have incurred (including any Government loans for study incurred before 2005).

Accumulated VETSL debt: The total of a person's VET Student Loan debt (VETSL debt) amounts from 1 July 2019. The accumulated VETSL debt is calculated on 1 June each year in accordance with section 23CC of the [VET Student Loans Act 2016](#), and includes all VET Student Loan amounts incurred from 1 July 2019, plus indexation, minus VETSL debt repayments.

Act (VET Student Loans Act 2016): The *VET Student Loans Act 2016*, the Commonwealth legislation that establishes the VET Student Loans program. It is available at [VET Student Loans Act 2016](#).

Approved course: A course for which students can access a VET Student Loan. These courses are at the diploma, advanced diploma, graduate certificate and graduate diploma level. The available courses are specified by the courses and loan caps determination and have a high national priority, meet industry needs, contribute to addressing skills shortages and align with strong employment outcomes. (Note: For courses **subsidised** by your state or territory, VET Student Loans are available at the diploma or advanced diploma level only).

Approved course provider (provider): A registered training organisation approved by the Australian Government whose students can access VET Student Loans for approved courses.

ATO (Australian Taxation Office): The ATO is the Australian Government's main tax collection agency. The ATO is responsible for managing HELP and **VETSL debt** repayments.

Australian Qualifications Framework (AQF): The AQF is the national policy for regulated qualifications in Australian education and training. It incorporates the qualifications from each education and training sector into a single comprehensive national qualifications framework. See [Australian Qualifications Framework](#).

CAN (Commonwealth Assistance Notice): A notice from your approved course provider issued after the census day which details the Commonwealth assistance (ie. the loan) you have used for the study period.

Census day: The last day on which you can withdraw from your course or part of course without having to pay tuition fees for the course or part of the course. The day is set by your **approved course provider** in accordance with the Act and Rules.

Commonwealth Higher Education Student Support Number (CHESSN): Your unique identification number as a person studying in a Commonwealth supported place or accessing a HELP loan (including a VET Student Loan).

Compulsory repayment threshold: You have to start repaying your **VETSL debt** through the taxation system once your repayment income is above the compulsory repayment threshold, even if you are

³ Where these defined terms are also defined in legislation (e.g. the Act or the Rules), to the extent of any inconsistency between the definitions provided in this Glossary and in the legislation, the definition provided in the legislation prevails.

still studying. Repayment income is calculated from the amounts given on your income tax return for:

- your taxable income;
- reportable fringe benefits (reported on your payment summary);
- total net investment loss (which includes net rental loss);
- reportable super contributions; and
- exempt foreign employment income amounts

Courses and loan caps determination: The legislation made under the Act which sets out the courses of study for which a VET Student Loan may be approved and the maximum loan amounts for those courses. It is available at [VET Student Loans \(Courses and Loan Caps\) Determination 2016](#).

eCAF: Refer definition of “Government electronic Commonwealth Assistance Form (eCAF) (Request for a VET Student Loan eCAF)” below.

Equivalent full-time student load (EFTSL): How the study load for students is measured. EFTSL is a measure of the study load based on a student undertaking a course on a full-time basis over an academic year. An academic year is determined by the provider based on its operations. A typical full time student load for a one-year course will have an EFTSL of 1.0.

FEE-HELP: An Australian Government loan program that helps eligible fee paying students pay their tuition fees for higher education study. A student’s borrowing under FEE-HELP contributes towards their HELP loan limit.

FEE-HELP balance: From 1 January 2020, the new combined **HELP balance** replaced a student’s **FEE-HELP balance**. See **HELP balance** below.

FEE-HELP limit: On 1 January 2020, the FEE-HELP limit was replaced by the **HELP loan limit**. See **HELP loan limit** below.

Full fee paying/fee for service student: A student enrolled in a course for which the provider does not receive a state or territory government subsidy is a full fee paying student.

Fee paying student: A student enrolled in a course for which the provider does not receive a state or territory government subsidy is a full fee paying student.

Government electronic Commonwealth Assistance Form (eCAF) (Request for a VET Student Loan eCAF): The online system for students to request a VET Student Loan (and other loans) under the HELP. It provides students with a secure and easily accessible way to complete application forms for these programs.

Students also use the eCAF system to log in to demonstrate they are engaged with their training and wish to continue accessing a VET Student Loan (see **Progression Form** below).

HELP (Higher Education Loan Program): Australian Government loans that help eligible students pay their tuition fees (VET Student Loans, VET FEE-HELP or FEE-HELP), student contributions (HECS-HELP), overseas study expenses (OS-HELP) and student services and amenities fee (SA-HELP). HELP loans are repaid through the tax system once a person earns over the compulsory repayment threshold.

HELP balance: The amount of VET Student Loans, VET FEE-HELP, FEE-HELP and HECS-HELP you have left to use before reaching the **HELP loan limit**. The renewable **HELP balance** replaced the **FEE-HELP** balance on 1 January 2020. Visit the [Study Assist](#) website for more information.

HELP loan limit: The maximum amount of VET Student Loans, VET FEE-HELP, FEE-HELP and HECS-HELP you can use to pay for your studies. The HELP loan limit is indexed annually on 1 January. For 2020, the HELP loan limit is \$106,319 for most students. Visit the [Study Assist](#) website for more information.

My Skills: The [My Skills](#) website is the national Vocational Education and Training (VET) consumer directory that contains information about each Registered Training Organisation (RTO) and the courses they offer. It is a federal government initiative to enable consumers to search for and compare VET courses and training providers. Students can use My Skills to search for VET Student Loans approved courses and approved course providers.

New Zealand Special Category Visa Holder (SCV): If you arrived in Australia using a New Zealand passport, in the absence of another valid Australian visa, you will have automatically received a Special Category Visa (SCV) provided you met certain security, character and health requirements. It is a temporary visa that expires as soon as you leave Australia, but remains in place for as long as you remain in Australia. If you are a New Zealand citizen and hold a SCV you may be able to access VET Student Loans, providing you:

- have been usually resident in Australia for at least 10 years,
- were a dependent child when you first began to be usually resident in Australia,
- have been in Australia for periods totalling 8 years during the previous 10 years, and
- have been in Australia for periods totalling 18 months during the previous 2 years.

Specific enquiries about the SCV, and other visas, should be directed to the [Department of Home Affairs](#).

Progression Form: A form in the eCAF system you must complete to demonstrate to the Department that you are a genuine student, continuing with your studies and wish to continue to access your VET Student Loan. When sent a progression email you need to read the email, sign into the eCAF system and complete the brief questions and short survey.

Request for a VET Student Loan eCAF: The online system for students to request a VET Student Loan. It provides students with a secure and easily accessible way to complete application forms for VET Student loans (see **Government electronic Commonwealth Assistance Form (eCAF)**).

Rules: The [VET Student Loans Rules 2016](#), the legislation made under the Act that sets out detailed requirements for the VET Student Loans program.

Special circumstances: Specific circumstances you must show exist to have your VET Student Loans debt for a course cancelled (and your FEE-HELP balance re-credited) if applicable. See section 68 of the Act. Talk to your provider's student administration area if you wish to apply for a debt to be cancelled under 'Special Circumstances'.

Student entry procedure: An approved course provider's procedure to ensure a student is academically suited to undertake a course.

Study Assist: [Study Assist](#) is a website providing information about loans you can apply for to pay for tertiary study (including VET Student Loans) and how to manage your loan.

Subsidised student: A student who is enrolled in a diploma or advanced diploma level course subsidised by a state or territory government.

TFN (Tax File Number): Your unique identification number from the ATO for everything tax related, including making HELP and **VETSL debt** repayments. To be eligible for a VET Student Loan, you **MUST** supply your valid TFN (or your *Certificate of Application for a TFN*) in the eCAF. This is because repayments of your debt are made through the Australian taxation system. It is important that your details on your enrolment match your details at the ATO as your eCAF will not be finalised unless your TFN is verified with the ATO.

Tuition fees: Fees that students are charged by approved course providers.

USI (Unique Student Identifier): Your unique reference number made up of 10 numbers and letters that creates a secure online record of your recognised training and qualifications gained in Australia.

VET FEE-HELP scheme: A former Australian Government loan scheme for higher level VET study, established under Schedule 1A of the *Higher Education Support Act 2003*, in place from 2009-2016. (The scheme closed to all existing students in 2018.)

VETSL debt: VET Student Loans debt. From 1 July 2019, VET Student Loan debts were separated from other forms of HELP debts and established as a separate income contingent loan. A student's borrowing under VET Student Loans counts towards the combined HELP loan limit.

VET Student Loans program: The Australian Government loan program established by the *VET Student Loans Act 2016* that assists eligible students enrolled in approved higher level vocational education and training courses at approved course providers pay their tuition fees.

VET Student Loans fee notice: A notice that approved course providers must send to students who are requesting a VET Student Loan for each fee period, at least 14 days prior to the census day. Refer to section 99 of the Rules.

VET Student Loans Statement of Covered Fees: A statement issued to the student that provides details of the total course fee and how much will be covered by the loan amount.

VSL Tuition Protection Director: The office established under the *VET Student Loans Act 2016* and which has responsibility for administering the tuition protection arrangements under the *VET Student Loans Act 2016*.

1. TRANSITIONING TO TERTIARY STUDY

Before you decide where to study and apply for an **approved course**, you will need to make some important decisions. This section provides information about your options, so you can make an informed decision before you enrol in vocational education and training.

Things to think about:

- how to make a smooth transition to tertiary study,
- how you can be a savvy student,
- which **approved courses** suit your needs,
- what is the cost of your course,
- what financial assistance you may be eligible for,
- which **approved course providers** offer **approved courses** which are eligible for **VET Student Loans**,
- what vocational education and training (VET) students can expect from registered training organisations, and
- what your career options are by using the following websites:

Visit [My Skills](#) for useful information about career pathways, employment outcomes and salary expectations. [My Skills](#) shows you the average price for each **approved course** you are interested in and can help you find the training and training provider that best matches your needs and expectations. You can also use [My Skills](#) to search for VET Student Loans **approved courses** and **approved course providers**, and view the maximum loan cap for VET Student Loans for your chosen course.

Visit [Job Outlook](#) to access a Career Quiz to help you identify what types of work you most like doing. Alternatively, you can download a free app from the [iTunes app store](#) and [Google Play](#) by searching for 'Career Quiz Australia'.

Visit [VET Student Loans](#) for the loan caps that apply to all **approved courses**. Other than for specified exceptions for certain aviation courses, there are three loan cap bands of \$5,264, \$10,528 and \$15,793 (2020 caps), which apply irrespective of whether the course is being delivered face-to-face, online, or via mixed delivery modes. A full list of eligible courses and their associated loan cap can be found at [VET Student Loans \(Courses and Loan Caps\) Determination 2016](#), or you can search [My Skills](#). The loan caps are indexed each year – the indexed amounts each year are available at [VET Student Loans](#).

Top tips for transitioning to tertiary study and the VET Student Loans program

1.1 Get a TFN early!

- If you want to use a **VET Student Loan** to pay for your study, you must submit your **TFN** by the **census day**; otherwise, you will not be able to use the loan for that study period.
- If you do not have a **TFN**, you must apply for one at the **ATO** website. See section 3.1 for more information.
- Keep your **TFN** secure and treat it like your bank PIN.

VETSL and HELP debts are recorded against your TFN so be really careful who you give this information to.

1.2 Be aware of your obligations!

- At the time of enrolment, you will need to give your own personal email (or mailing address) to your provider. This is so your provider is able to issue you with your **VET Student Loans fee notice**, which is an important document that will include all the information about your VET Student Loan.
- Your request for a VET Student Loan will also be emailed to you via this email address. When you receive an invitation email about your VET Student Loan request via the **electronic Commonwealth Assistance Form (eCAF)**, please check that all the details entered by your provider are correct. If any details need to be updated, contact your provider to amend the details before submitting the loan request. It is your responsibility to check your email on a regular basis.

You will need to be aware of your census day(s) as this date is critical to getting a loan or withdrawing your enrolment. See section 3.4 for more information. Find out your provider's withdrawal procedure. You must withdraw in writing from a course or a particular part of a course before the census day to avoid incurring a debt for that course (or part of the course).

- A student engagement and progression requirement applies to your continued access to a VET Student Loan. When requested, you will need to log in periodically to the Department of Education and Training's **eCAF** and complete the form. The **Progression Form** is simple, quick and easy to complete. You need to complete brief questions and a short survey to confirm your active and legitimate enrolment in the course. If you do not complete your progression form, you may not be able to continue to access VET Student Loans.
- Find out your provider's policies regarding the conditions of your study. If you are not progressing satisfactorily in your course, your enrolment may be cancelled even if you have already incurred a **VETSL debt** or made a payment for that study.
- You should be aware of complaints handling and withdrawal policies as these are avenues to have your debt cancelled if your provider is in breach of its obligations, engaged in unacceptable conduct or where special circumstances apply to you.
- If you have previously studied and accessed a **HELP** loan, it is your responsibility to ensure you have sufficient **HELP balance** to cover the VET Student Loan amounts in your invoice notice. You can check your HELP balance by logging onto myHELPbalance using your **Commonwealth Higher Education Student Support Number (CHESSN)**, which will be quoted on your **VET Student Loans fee notice**.

1.3 You are responsible for your own education!

- Due to privacy laws, **approved course providers** cannot give information to your spouse, parent, or anyone else about your payment details, VET Student Loan, attendance or other personal matters.
- Be sure to base your decision to study on the right information by comparing prices of courses and providers at [My Skills](#) before you enrol. Compare the course fee with the corresponding loan cap amount to check if you will need to fund any difference between the two. You may need to pay the gap between the loan amount and the total course fee. Check with your approved course provider before you enrol, or after enrolment you can check your **VET Student Loans Statement of Covered Fees**.
- Do not enrol in a course or request a VET Student Loan until you have made a firm decision to study. You should consider whether you are able to and want to complete the course requirements.

1.4 Know who to ask for help

- Your provider is the first place you should go to for any questions about your study or VET Student Loan, or complaints about the quality of service. Student administration staff will help you with enrolment and administration, or will direct you to the appropriate area (refer to the Contacts section for other useful contacts).
- The [My Skills](#) website is updated regularly to provide information about providers and loans

1.5 Get involved

- Most providers offer an orientation service for new students, as well as social events and various clubs. These activities can help you to learn your way around, meet new people and build a support network.
- If you are studying online or by distance, social media pages, blogs and online discussion groups are excellent ways to connect with fellow students.

1.6 Be a savvy student

- Be aware that a VET Student Loan is a loan from the Australian Government, which you will have to begin repaying when you reach the compulsory repayment threshold.
- Be aware that brokers or marketing agents are banned from signing you up for **VET Student Loans**. They are also banned from contacting you about the availability of loans.
- If you require information about enrolling in a course, you should contact the provider that delivers the course directly.
- Remember, your **TFN** should be treated like a bank PIN. It is your personal reference number in the tax and superannuation system. Make sure you understand the purpose of any documents or electronic forms that ask you to provide your **TFN**.
- If you suspect your **TFN** has been stolen or accessed by an unauthorised third party, you must report this to the **ATO** as soon as possible (refer to 'Contacts and additional information' for more details).

Never give out your username or password from government agencies like Centrelink or MyGov.

Visit [Study Assist](#) for more information and tips on how to be a savvy student or [My Skills](#) or training.gov.au for more information about your provider.

2. THE VET STUDENT LOANS PROGRAM

To be eligible for a **VET Student Loan**, you must meet the eligibility criteria as specified on pages 7 and 8. Further information on these requirements is detailed below.

You may be interested to know:

- if you use a **VET Student Loan**, you will not have to make any repayments in the 2019-20 financial year unless your income is \$45,881 or above. The minimum repayment income threshold for the 2020-21 financial year is \$46,620
- if there is a direct connection between your work and your study, you may be able to claim your **tuition fees** as a tax deduction. Contact the **ATO** for more information on how to claim self-education expenses, including eligible study, and applicable caps on the amount you can claim
- you can check your eligibility by considering the criteria at '**Am I Eligible**' above.

2.1 Approved courses and loan caps

VET Student Loans are only available for **approved courses** at the diploma, advanced diploma, graduate certificate and graduate diploma level that are specified by the [VET Student Loans \(Courses and Loan Caps\) Determination 2016](#).

The **courses and loan caps determination** specifies the courses for which VET Student Loans may be granted; sets the maximum loan amounts for those courses; and provides for the annual indexation of the maximum loan amounts.

Other than for specified exceptions, there are three loan cap bands of \$5,264, \$10,528 and \$15,793 (2020 amounts) which apply irrespective of whether the course is being delivered face-to-face, online, or via mixed delivery modes. Courses in the aviation training package are a specified exemption and are eligible for a loan of up to \$78,967 (2020 amount).

You cannot borrow more than the maximum loan amount for your course. The amount available will be indexed each year. The indexed amounts are available at VET Student Loans.

You can search for VET Student Loans approved courses and find out the maximum loan caps at My Skills.

Approved course providers may charge **tuition fees** for courses in excess of the loan cap amount, and you may have to pay the gap between the loan amount and the tuition fee as you progress through your course.

2.2 Approved course providers

Only students studying at **approved course providers** are eligible for VET Student Loans. Registered Training Organisations (RTOs) that offer higher level VET qualifications (diploma level and above) and meet specified course provider requirements may apply to the Australian Government to be approved as **approved course providers**. Ask your course provider if they are approved, or visit [My Skills](#) and look for the 'VSL' logo in bold font.

2.3 Academic suitability

You must have been assessed by your course provider as academically suited to undertake the course to access a VET Student Loan for that course.

To be assessed as academically suited, you must provide either:

- your Australian Senior Secondary Certificate of Education (year 12 Certificate)⁴ or
- your International Baccalaureate Diploma Programme (IB) diploma OR
- a certificate showing that you have been awarded a qualification at level 4 or above in the Australian Qualifications Framework (AQF), or at a level in a framework that preceded the AQF that is equivalent to level 4 or above in the AQF (where the course was delivered in English).
The certificate must be:
 - a document issued by a body registered to award the qualification in the AQF in Australia;
or
 - a letter or certificate issued by a Federal, State, or Territory government agency which assesses overseas qualifications and which shows that your qualification has been determined to be equivalent or comparable to a qualification in the AQF at level 4 or above.

If you do not have an Australian year 12 Certificate or have not successfully completed an AQF Certificate IV or higher qualification, you must sit an approved Language, Literacy and Numeracy (LLN) test and be assessed as competent at Exit Level 3 in the Australian Core Skills Framework in both reading and numeracy. Your provider will conduct this test and notify you of your result.

Your provider must set out these academic suitability requirements in its **student entry procedure** on its website.

2.4 What are the citizenship and residency requirements?

To meet the VET Student Loans citizenship and residency requirements you must be either:

- an Australian citizen, or
- a qualifying **New Zealand Special Category Visa holder**, who meets the long term residency requirements (refer to the glossary), or
- a permanent humanitarian visa holder who is usually resident in Australia.

You cannot access VET Student Loans for a course that is taught primarily at an overseas campus.

⁴ For students that have attained a *Victorian Certificate of Applied Learning (VCAL)* – only the VCAL Senior and VCAL Intermediate levels meet this requirement.

Need to check your visa subclass?

Your provider will need proof of your visa status to verify your eligibility. With your permission and your passport details, providers registered with Visa Entitlement Verification Online (VEVO) can confirm your visa status. Alternatively, send your details directly to them, using VEVO's send email function. VEVO is a free, online service that allows visa holders and registered Australian organisations, such as providers, to check the details and conditions of a visa.

To access the VEVO service, please visit [Check visa details and conditions](#).

If you are not eligible for a VET Student Loan, you will need to confirm upfront payment dates and arrangements with your provider directly. If you cannot pay part or all of your **tuition fees** upfront, you should contact your provider as some may offer their own payment options or plans.

How to provide proof of Australian Citizenship?

In assessing an application for a VET Student Loan your **approved course provider** must be satisfied that you meet the eligibility criteria, including your citizenship eligibility. The evidence required to demonstrate that you are an Australian citizen may differ depending on whether you were:

- born overseas
- born in Australia before 20 August 1986
- born in Australia on or after 20 August 1986.

Your **approved course provider** will advise you what documentation you will need to provide to evidence your Australian citizenship. You can obtain a citizenship certificate by lodging a [Form 119 Application for evidence of Australian citizenship](#) with the Department of Home Affairs.

2.5 How much can I borrow? What is the HELP loan limit?

You can borrow up to the **HELP loan limit** to pay your **tuition fees**. The HELP loan limit is the total amount available to you under VET Student Loans, **VET FEE-HELP**, **FEE-HELP** and **HECS-HELP**. Any amount you borrow under VET Student Loans, **VET FEE-HELP**, **FEE-HELP** or **HECS-HELP** will be added together until you reach the **HELP loan limit**.

For 2020, the **HELP loan limit** is \$106,319 for most students.

2.6 What is the HELP balance?

The **HELP balance** is the available amount of VET Student Loans, **VET FEE-HELP**, **FEE-HELP** and/or **HECS-HELP** that you have left to use before you reach the **HELP loan limit**. Your **HELP balance** is renewable. This means that any compulsory or voluntary amounts that are repaid from the 2019-20 financial year onwards will be able to be re-borrowed, up to the **HELP loan limit**. You are responsible for keeping track of your **HELP balance** and for advising your provider if you do not have enough left to cover your **tuition fees**. Read section 4.4 for information about how to check your **HELP balance**.

2.7 Will I be charged interest?

There is no interest charged on **VETSL debts**. Your **VETSL debt** is, however, indexed each year. It increases annually on 1 June to maintain its real value, adjusting in line with changes in the cost of living (as measured by the Consumer Price Index figure released each March).

Debts are not indexed until they are 11 months old. You can find current and past indexation rates on the [Australian Taxation Office](#) website.

2.8 Is there a loan fee?

Yes, for most students. A 20 per cent loan fee applies to VET Student Loans for **full fee paying/fee for service students**. The loan fee does not count towards your **HELP loan limit**.

You do not have to pay the loan fee upfront – it is added to your **VETSL debt** at the **ATO**.

For example, if you are undertaking a course that costs \$5,000, and you intend to access a loan for the full cost of the course, the loan fee will be \$1,000 (i.e. 20% of \$5,000). So your VET Student Loans debt for that course will be the loan amount accessed (\$5,000) + the loan fee (\$1,000) = \$6,000. You will incur the loan fee as you progress through your course on a per-unit basis – it is added to the loan amount you access for each unit.

You do not incur the loan fee if you are a student who is subsidised by a state or territory government and you are studying a diploma or advanced diploma course. If you are not sure if you are a **subsidised VET student**, contact your provider directly.

2.9 Special loan fee exemption

On 12 April 2020 the Australian Government announced a six-month exemption of the 20 per cent loan fee for full fee paying VSL students. This exemption applies for VET Student Loan amounts incurred on census days between 1 April 2020 to 30 September 2020. Students will not need to do anything for the exemption to be applied. Student VETSL debt records with the ATO will also reflect the loan fee exemption as system changes are implemented, subject to legislative amendments.

3. APPLYING FOR A VET STUDENT LOAN

More information about applying is available at [VET Student Loans](#).

3.1 How do I apply for a VET Student Loan?

To apply for a VET Student Loan you must complete the Request for a VET Student Loan **electronic Commonwealth Assistance Form (eCAF)** by the **census day**.

You must first enrol with your provider and indicate you wish to access a VET Student Loan. Your provider will then give the Department your enrolment information, including the nearest applicable **census day**, through the **eCAF** system.

You will then receive an email with log in details to sign into the **eCAF** system. Once you sign in, you will need to verify the pre-populated information and complete the mandatory fields. You must then **wait at least two full business days** after you have enrolled in your studies before submitting the **eCAF**.

You must submit the **eCAF on or before the first census day for which you would like the loan to apply**.

Once you submit your **eCAF**, you will receive an email confirming your loan approval and providing you with a copy of your completed form. You should keep this form for your records.

In exceptional circumstances, you may be permitted to use a paper loan request form although prior approval is required. Your provider will advise you how to apply using this form.

If you do not complete the **eCAF**, or other permitted form, by the required date for your course, you will have to wait until the next part of your course /unit, next semester or trimester to request a VET Student Loan for future study. Retrospective access to VET Student Loans is not allowed under any circumstances.

Students under the age of 18

If you are under 18 years of age, a parent or guardian must complete and sign a parental consent form. The completed parental consent form must be given to your provider before you can be issued with an **eCAF** application form. The parental consent form is not necessary if you have been assessed by Centrelink as meeting the requirements for receiving the independent rate of Youth Allowance under part 2.11 of the *Social Security Act 1991*. You will need to provide evidence of this assessment in the form of your Centrelink Income Statement, which you can request by logging into myGov and selecting your Centrelink online account. For more information, visit [Centrelink online account help - Request a document](#).

Tax file number requirements

If you want to use a VET Student Loan to pay for your study, you must meet the **TFN** requirements:

- you must have a valid TFN by the **census day**, or
- if you don't have a **TFN**, you can obtain a *Certificate of application for a TFN*. This certificate is available from the **ATO** after you have applied for a **TFN**. If you get a Certificate of application for a TFN, you are required to upload it to your **eCAF** before you submit. You may also provide (by uploading) a copy of the online application summary and barcode receipt issued by Australia Post.

You must advise your provider as soon as you have received your **TFN** from the **ATO**. Your provider will then 'open up' your **eCAF** to put it into 'revision status' for you to update. You will then receive an email with a link to the **eCAF** where you can then enter your **TFN**. Once you have done this, you must resubmit the revised **eCAF**. If you do not provide your **TFN**, you will not be able to use a VET Student Loan for that study period. You must keep your **TFN** secure.

Your **TFN** and personal information in your **eCAF** will be verified with the **ATO** at the time your **eCAF** is submitted. If, by the unit's census day, your information is not assessed as correct/verified, your application will not be finalised and you will be ineligible for a VET Student Loan.

What supporting documentation will I need?

As you are applying for a loan from the Australian Government, you are required to give your **approved course provider** copies of all relevant documents to support your application for a VET Student Loan and evidence of your eligibility.

Examples of the types of documentation may include (but not limited to):

- your birth certificate and/or your parent's birth certificates
- current driver's licence
- passport/s
- citizenship certificate
- visa documentation
- Australian Year 12 Certificate or Australian Qualifications Framework Certificate IV or higher qualification (where the language of instruction is English)

As each individual's circumstances are different, your **approved course provider** will advise you what documentation you will need to provide so they can confirm your eligibility for a VET Student Loan.

3.2 What if I want to enrol in another course or I want to change my course?

If you want to enrol in two different courses with the same provider, you must complete a separate **eCAF** for each course.

If you change your course, you will need to complete a new **eCAF** for your new course.

You will also need to withdraw officially from any course you have enrolled in and do not wish to continue with by the **census day** so that you do not incur a **VETSL debt** for that course.

Withdrawal does not happen automatically when you transfer to a new course or when you stop attending classes. Instead, you must notify your provider in writing of your decision to withdraw. **See Chapter 5** for information on withdrawing from your studies.

3.3 What happens when I change my provider (but not my course)?

If you change your **approved course provider** and you wish to continue to access a VET Student Loan for the same course, you will need to complete an **eCAF** nominating your new provider. You will only have available the remaining loan amount to access at your new provider.

For example, if the course cap is \$10,000 and you have accessed \$4,000 at your previous course provider, you will only have \$6,000 loan amount remaining at your new provider for that course.

You will need to withdraw officially from the course at your previous provider. If you do not want to incur a **VETSL debt** you need to withdraw by the **census day**.

Withdrawal does not happen automatically when you transfer to a new provider or when you stop attending classes. Instead, you must notify your course provider in writing of your decision to withdraw. **See Chapter 5** for information on withdrawing from your studies.

3.4 What is the census day?

The **census day** is a very important date for you to know!

The **census day** for a course, or a part of a course (e.g. unit), is the last day you can:

- complete the eCAF to apply for a VET Student Loan for your course, or
- withdraw your enrolment without incurring a debt for the course or part of the course.

Providers set **census days** within the rules set by the Australian Government. This date may differ between individual courses and providers.

Every part of a course (unit or subject) has its own **census day** so that you incur debts as you progress through your course, and not for the whole course at the beginning. Every course must have at least three **census days** spread reasonably evenly throughout your course. Your provider is required by law to publish **census days**.

If you are unsure of your **census days**, check your provider's website or contact them directly to confirm the **census day** for each unit, and whether withdrawal is limited to your provider's business hours.

Your provider must send you a **VET Student Loans fee notice** at least 14 days before the **census day** so that you have all the information you need to make your study and payment decisions.

3.5 How do I confirm my continued engagement in my course?

To continue accessing a VET Student Loan, you will have to confirm your continued engagement and participation in your course by completing the **Progression Form**. An email with login details to the **eCAF** system will be sent to you requesting that you indicate your study intent and complete a short survey. Depending on the duration of your course and the length of time you take to complete the course, you may be requested to complete this form multiple times during the length of your course. If you do not complete the form and survey, you may be ineligible to continue accessing VET Student Loans to pay for the remainder of your course **tuition fees**.

3.6 What happens if the census day has already passed?

You cannot access VET Student Loans for a past **census day**. You must submit your **eCAF** on or before the first **census day** for which you wish the loan to apply.

4. KEEPING TRACK OF YOUR VET STUDENT LOAN

More information about keeping track of your **VET Student Loan** is available at [Study Assist](#).

4.1 Your Commonwealth Higher Education Student Support Number (CHESSN)

You will be allocated a **CHESSN** when you first apply for admission to your provider. Your **CHESSN** is a unique identification number that stays with you for the whole of your student life.

Your **CHESSN** helps providers and the Australian Government provide you with information about any **VET Student Loans** or **HELP** loans you may have used. Your **CHESSN** is printed on your Commonwealth Assistance Notice (**CAN**).

You should only have one **CHESSN** for the duration of your studies – even if you change providers, or decide to start a new course a few years after completing one, or change your name. You should always use the *same* **CHESSN** for *all* of your studies.

4.1.1 Why is it important to have only one CHESSN?

Your **CHESSN** is an important identifier used to monitor and manage your Commonwealth assistance, especially for identifying whether you have reached your **HELP loan limit**. Your **HELP loan limit** applies to all study for which you use a **VET Student Loan**, **VET FEE-HELP**, **HECS-HELP** or **FEE-HELP** to pay for your course.

How much you can borrow is calculated against individual **CHESSNs**. If you have more than one **CHESSN**, you might exceed your **HELP loan limit** because the loan limit will be applied to each **CHESSN** you have been issued. If you have been allocated multiple **CHESSNs** and the sum of the debts across those **CHESSNs** exceeds the **HELP limit** you **cannot access** any more **HELP** or **VET Student Loans** to pay for your course.

If you have received **HELP** or **VET Student Loans** in excess of the **HELP loan limit**, your provider will be required to return the funds to the Commonwealth and may seek repayment of the excess loan amount from you.

If you have more than one **CHESSN**, or any other concerns about your **CHESSN**, please complete an enquiry form on the Study Assist [Contact us](#) webpage.

4.2 Fee notices

Your provider must send you a **VET Student Loans fee notice** for each fee period, for the course(s) you are enrolled in for that fee period. This must be sent to your nominated personal email or postal address at least 14 days before the **census day**. The fee notice must detail a range of information including:

- the provider's name and registration code,
- your name, contact details and student identification number as issued by the provider,
- the cost of the unit/s you are enrolled in for that part of your course,
- the census day(s) on which you will incur the debt,
- your **CHESSN**, and
- the loan fee (if applicable).

You should note that your fee notice may include more than one unit, but your provider is required to provide at least three fee notices across your course as your course must include at least three **census days**. This will ensure your course fees are spread across the course as you progress.

Your **approved course provider** must also send you a **VET Student Loans Statement of Covered Fees** which will provide details of the total course fee and how much will be covered by the loan amount.

4.3 Your Commonwealth Assistance Notice (CAN)

If you are getting a **VET Student Loan**, your **provider** will send you a **CAN**, within 28 days after the **census day**, for each study period you are using the loan. Your **CAN** will include information on:

- the **tuition fees** for your course,
- the course for which you have received VET Student Loans,
- any upfront payments you have made, and
- any VET Student Loan you have used for that study period.

Check your **CAN** carefully to make sure that the **tuition fees** listed on your **CAN** are the same as those published on your provider's website. If you notice any errors on your **CAN**, you have 14 days from the date of the **CAN** to send your provider a written request for correction (some providers may allow for a longer correction period).

4.4 myHELPbalance and myGov

There are two websites that help you keep track of what you have borrowed and how much you still have left to pay.

[myHELPbalance](#) will help you keep track of how much you have borrowed under VET Student Loans and the various **HELP** loans from 2005 onwards.

Please note that myHELPbalance only shows the loans you have received under VET Student Loans, HECS-HELP, OS-HELP, FEE-HELP and **VET FEE-HELP**, but not SA-HELP. The information is displayed on a per-unit basis.

There is a time lag between the **census day** and when your information on myHELPbalance is updated. To work out a total of your current loan amounts, you will need to add any units you have recently enrolled/are currently enrolled in to amounts showing on myHELPbalance if they are not already there.

myHELPbalance does not show the details of how much of your VETSL or HELP debt you have repaid to the **ATO** or what you have left owing to the **ATO**. It will also not show any details about pre-2005 study (including former HECS, OLDPS, PELS and BOTPLS loans).

You can use your **CHESSN** and other personal details to access myHELPbalance via the home page at [Study Assist](#).

myGov allows you to get more information about your **VETSL** and other **HELP** debts online. It will show:

- all of your HELP debt (which includes HECS-HELP, OS-HELP, SA-HELP, FEE-HELP, VET FEE-HELP and VET Student Loans debts from 1 January 2017 to 30 June 2019 as a consolidated amount),

- your **VETSL** debt (VET Student Loans debts from 1 July 2019)
- any indexation that has been applied to your debts, and
- any repayments you have made, so you can see how much you have left owing.

To access this online service, please refer to the instructions on the [Australian Taxation Office](#) website.

4.5 Your VETSL account

You can view your **VETSL** loan account and other information, such as your payment reference number (PRN) and voluntary repayment options online. To access **ATO** online services, you need to create a myGov account and link it to the **ATO**. If you already have a myGov account linked to the **ATO**, you can log in at any time. For more information, visit [View your loan account online](#).

You can phone the **ATO** at any time during the year. The **ATO** will need to know they are talking to the right person before they can discuss your **VETSL** account. If you can, please have your **TFN** handy when you call.

5. WITHDRAWAL OR NON-COMPLETION OF STUDIES

More information about withdrawal procedures and **special circumstances** is available from the [Study Assist](#) website. You must also familiarise yourself with the specific withdrawal policy of your provider.

5.1 What happens if I fail or withdraw from a unit?

You must withdraw correctly by the census day to avoid a VETSL debt!

If you correctly withdraw from a unit or subject by the **census day**, you will not incur a debt for that part of your course. If you have already made an upfront payment of your **tuition fees**, you will receive a refund from your provider.

If you fail part of a course (unit or subject), or withdraw from part of a course after the **census day**, you will still have to pay the **tuition fee** for that unit. If you used a VET Student Loan, you will incur a **VETSL debt**. If you made an upfront payment to your provider, you are not eligible for a refund of that payment.

If you failed the unit or subject or withdrew after the **census day** because of **special circumstances** (see section 5.3), you can apply to your provider to have your **VETSL debt** removed. If you paid for your units upfront, you will need to contact your provider for information on the refund process for upfront payments.

If your provider engaged in unacceptable conduct in relation to your application for a VET Student Loan (see section 5.4) you can apply to the department to have your debt removed.

5.2 How do I withdraw from a unit?

To withdraw from a unit or course without incurring a **VETSL debt** or forfeiting an upfront payment, you need to complete your provider's formal withdrawal process and withdraw in writing by the **census day**. If the course you are withdrawing from involves enrolment with more than one provider, you will need to withdraw from each one individually.

Providers cannot charge you a fine, penalty or fee for withdrawing from units before the **census day**, but you must withdraw in writing. Furthermore, providers cannot enrol you in subsequent units without your written instruction. In the event you wish to enrol in subsequent units, your provider is required to have in place a process to allow this. You should refer to your provider's withdrawal process, which will be available on its website.

Contact your provider's student administration area for more information on withdrawing and the required formal process.

5.3 Special circumstances

If you withdraw from a unit after the **census day** because you become seriously ill or for other special circumstances, you can apply to your provider to have your **HELP balance** re-credited and your **VETSL debt** removed. You cannot have your debt removed if you have already successfully completed your unit of study.

Changing your mind is not a good enough reason to apply for **special circumstances** and you will still be required to repay your **VETSL debt**. Similarly, failing a unit is not in itself sufficient to apply for **special circumstances**. However, as noted at section 5.1 above, if you fail a unit **because** of special circumstances, you may consider applying to have your HELP balance re-credited.

For your provider to be satisfied that **special circumstances** apply to you, you must be able to prove that the circumstances:

- were beyond your control,
- did not make their full impact on you until on or after the census day, and
- made it impracticable (i.e. impossible) for you to complete your unit(s) of study requirements.

5.4 Unacceptable conduct

Students who find themselves with a **VETSL debt** due to a provider's unacceptable conduct in relation to their application for a VET Student Loan may be able to apply to have the **VETSL debt** cancelled.

Examples of unacceptable conduct include, but are not limited to, misleading or deceptive conduct; advertising **tuition fees** for the course where there are reasonable grounds for believing that the provider will not be able to provide the course for those fees; the use of physical force, or harassment or coercion in connection with the application or enrolment in the course.

Students will need to apply to the Department and provide details of what led to the debt being raised and any correspondence or paperwork received about their study and debt. To find out more information about unacceptable conduct remissions, visit the Complaints and Grievances webpage at [Study Assist](#).

5.5 Complaints

Approved course providers must have a complaints procedure that allows students to lodge a grievance (i.e. an issue or complaint) about any academic (e.g. grade) or non-academic (e.g. fee or debt dispute) matter. Students should contact their provider in the first instance for issues or complaints relating to academic and non-academic matters.

If you are dissatisfied with the manner in which your provider has dealt with your debt complaint, you may wish to contact the [VET Student Loans Ombudsman](#).

The National Training and Complaints Hotline (13 38 73) is also a national service for consumers to register complaints concerning vocational education and training.

5.6 What happens if my provider stops delivering my course?

Tuition protection arrangements provide assistance for VET Student Loan (VSL) students who are unable to continue their studies due to a provider default. A provider defaults if they do not commence a course, cease delivering a course, or close entirely.

If you are studying with a private VSL provider who defaults, you will be assisted by the Government's Tuition Protection Service (TPS) to continue your studies. If your provider defaults, the TPS will assist you to move to a replacement VSL provider to continue your studies in the same or similar course. If there are no suitable replacement courses available, you may be entitled to receive a loan re-credit for parts of the course you were unable to complete due to the default.

If you are studying with a public or government-owned VSL provider (such as a TAFE), your provider will assist you to move to a replacement course, or if a suitable replacement course is not available, receive a loan re-credit for parts of the course you were unable to complete due to the default.

You should ensure you keep up-to-date records throughout your study that demonstrate your progression through the course. This includes statements of attainment or other reports which show the competencies you have achieved. These records will assist you in continuing your studies, should your provider default.

Further information about tuition protection is available on the [TPS website](#).

6. REPAYING YOUR VETSL DEBT

More information about **VETSL debt** repayments, including how the **ATO** calculates your compulsory repayment, is available at [Study Assist](#).

6.1 When do I start paying back my loan?

Your **VETSL debt** forms part of your **accumulated VETSL debt**. You must start repaying your **VETSL debt** through the tax system once your income is above the **compulsory repayment threshold**, even if you are still studying.

The threshold is adjusted each year; for the 2019-20 financial year it is \$45,881. The minimum repayment income threshold for the 2020-21 financial year is \$46,620. Repayments made through the Australian taxation system are called 'compulsory repayments' and continue until you have repaid your whole debt.

How much you must pay back is calculated from the amounts given on your income tax return for:

- your taxable income,
- reportable fringe benefits (reported on your payment summary),
- total net investment loss (including net rental loss),
- reportable super contributions, and
- exempt foreign employment income amounts.

Anyone who has a **VETSL debt** and earns above the minimum repayment threshold will be required to repay their debt regardless of where they live, whether in Australia or overseas. Visit [Study Assist](#) for more information.

If you move overseas and have a **VETSL debt** you have the same repayment obligations as those living in Australia. This applies if you already live or intend to move overseas for a total of 183 days or more in any 12 month period.

You will be required to notify the **ATO** by updating your contact details through ATO online services within seven days of leaving Australia. Visit [overseas obligations when repaying loans](#) or [Study Assist](#) for more information.

6.2 How much will my repayments be?

The amount you repay each year is calculated as a percentage of your worldwide income. The repayment percentage increases as your income increases, so the more you earn, the higher your repayment will be.

The **ATO** will calculate your compulsory repayment for the year and include it on your income tax notice of assessment. You can determine the amount of your compulsory repayment by using the [Study and Training Loan Repayment Calculator](#) and the repayment rates on the ATO website.

6.3 Can I make a voluntary repayment?

Yes. You can make a voluntary repayment to the **ATO** at any time and for any amount. Voluntary repayments are in addition to the compulsory repayments made through your tax return.

There are several ways you can make a voluntary repayment, including via BPAY and credit card. Voluntary repayments can be made through ATO online services accessible via myGov.

For more information on making a payment, go to the ATO's [How to pay](#) webpage. For more information on voluntary repayments, go to the ATO's [Voluntary repayments](#) webpage.

6.4 Are repayments tax deductible?

Compulsory repayments are not tax deductible. Voluntary repayments made by you or someone other than your employer are not tax deductible. Your employer may be able to claim a tax deduction for voluntary repayments it makes on your behalf, but it may also be liable for fringe benefits tax on the repayments. For more information, visit [Australian Taxation Office](#).

Use of personal information

Your personal information, including your TFN, is protected by law, including the *Privacy Act 1988*, and is collected by the Australian Government Department of Employment, Skills, Small and Family Business (the Department) (GPO Box 9880, Canberra ACT 2601), for the purpose of administering the VET Student Loans program, which includes verifying your eligibility for a loan and repayments of amounts in discharge of your VET student loan debt (including if you are residing overseas) under the *VET Student Loans Act 2016* (the VSL Act). The Department also collects your personal information for the purpose of research, statistics, policy formation and broader HELP program management. The collection, use and disclosure of your personal information is authorised under Part 9 of the VSL Act and Division 180 of the *Higher Education Support Act 2003* (HESA).

The Department may disclose your information to Australian Government agencies, including but not limited to:

- the ATO for the purposes of calculating and administering your VET Student Loan debt;
- the Department of Human Services for the purposes of pre-populating your claim form for a student payment and assessing or reviewing your eligibility or entitlement for a student payment; and
- the Commonwealth Ombudsman if you lodge a complaint in relation to your VET Student Loan or compliance by your provider with the VSL Act.

Your personal information may also be disclosed to the VSL Tuition Protection Director for the purposes of administering arrangements relating to tuition protection under the VSL Act if required.

The Department may also disclose your information to a domestic entity (other than the ATO) or to an overseas entity for the purposes of VET Student Loan debt collection.

The Department will not disclose your personal information for any other purpose without first seeking your consent, unless that disclosure is authorised or required by law.

You can find more information about the way in which the Department will manage your personal information, including how to access and correct your information, and how to make a complaint, in the Department's privacy policy at <https://www.dese.gov.au/privacy>, or by requesting a copy from the Department at privacy@employment.gov.au. Please also refer to Part 9 of the [VSL Act](#) and Division 180 of [HESA](#).
